# Heartbreak Valley

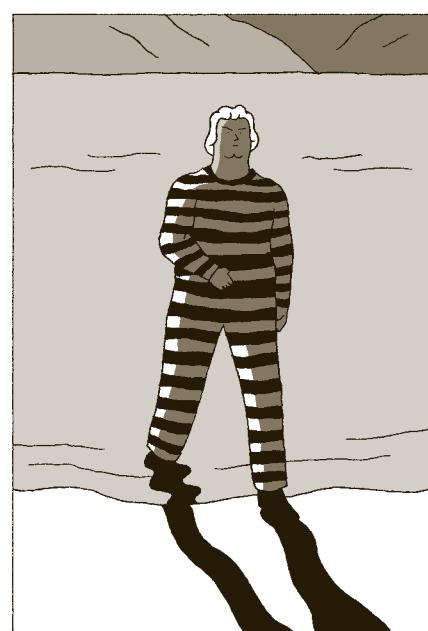

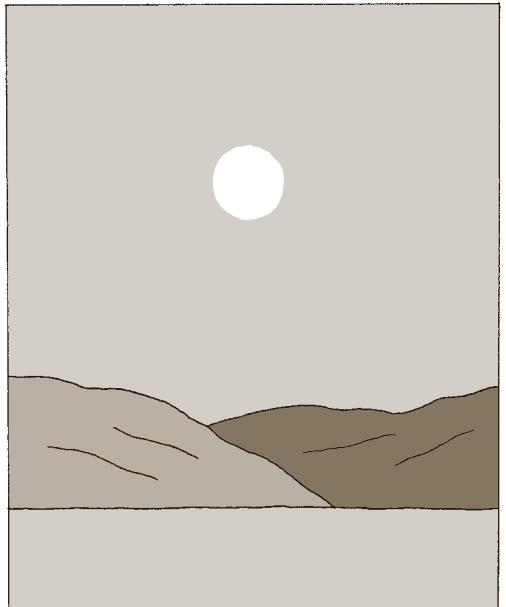

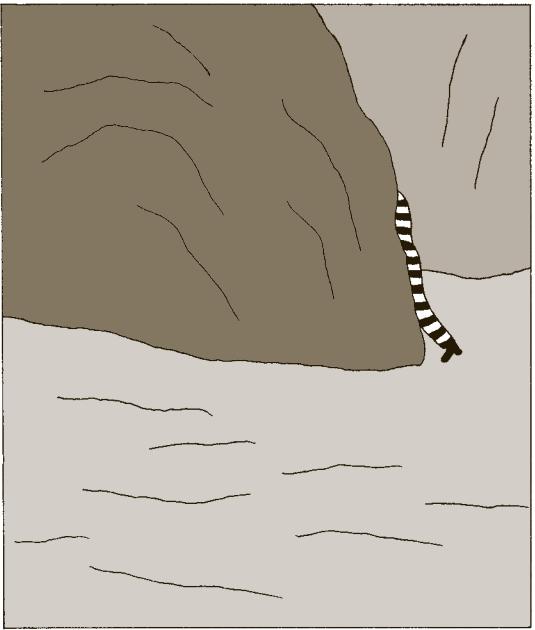

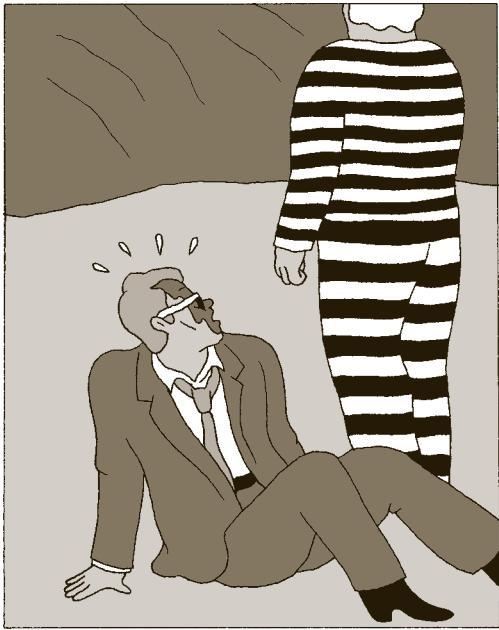

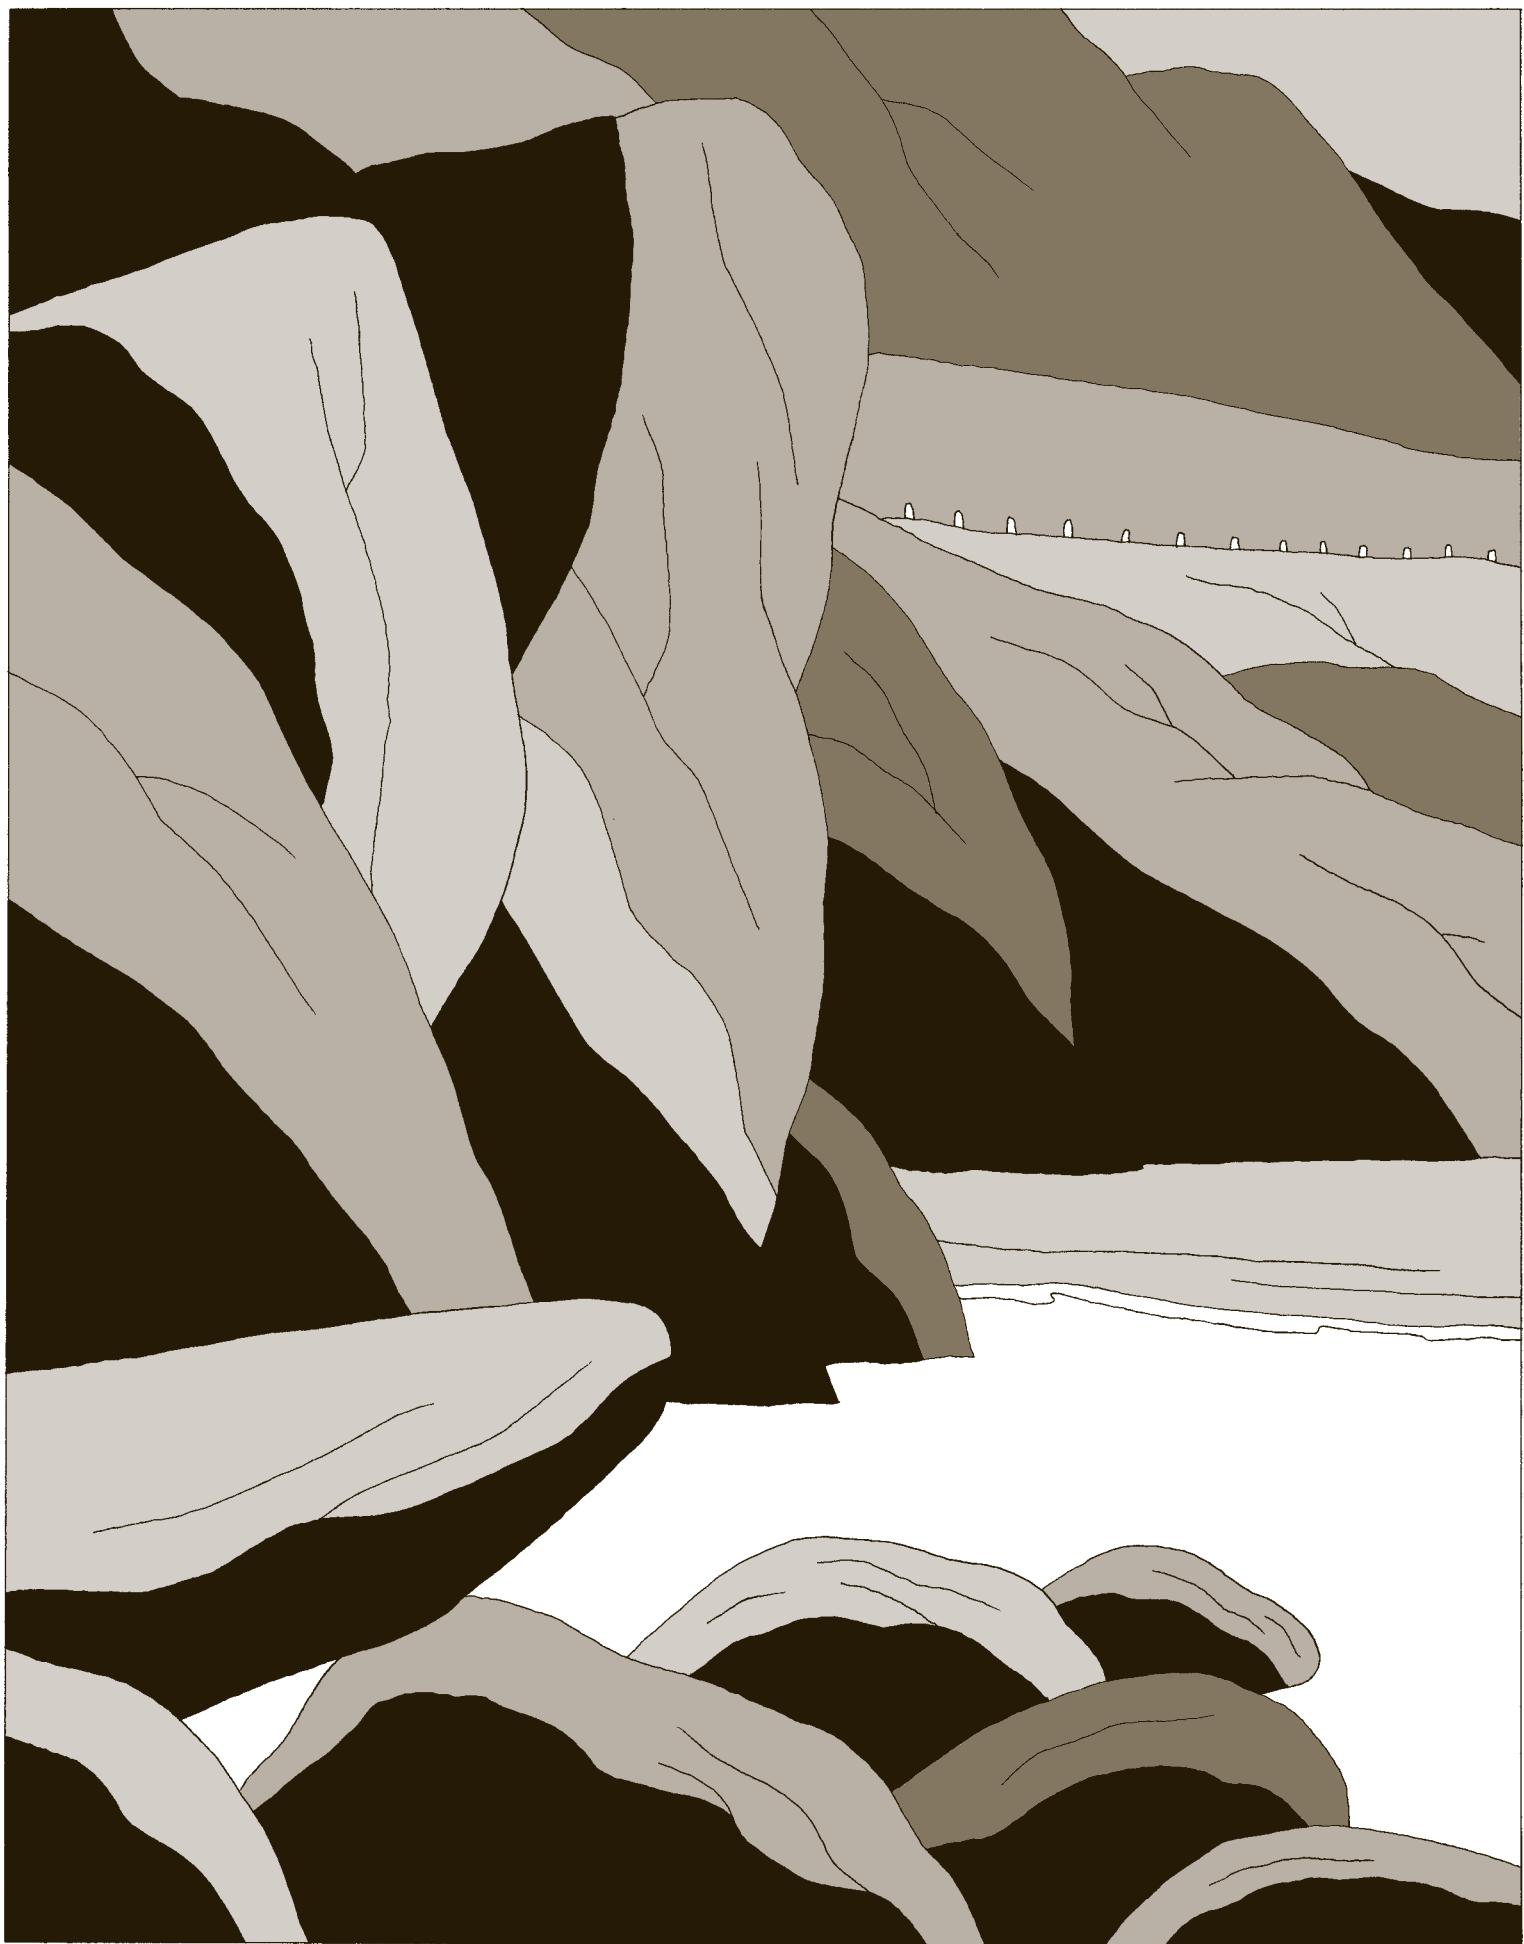

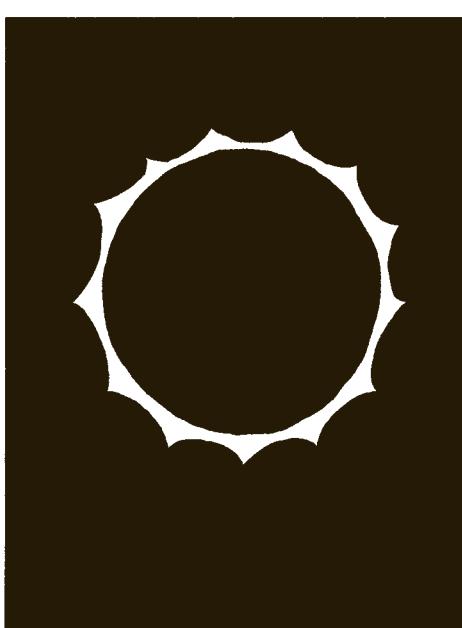

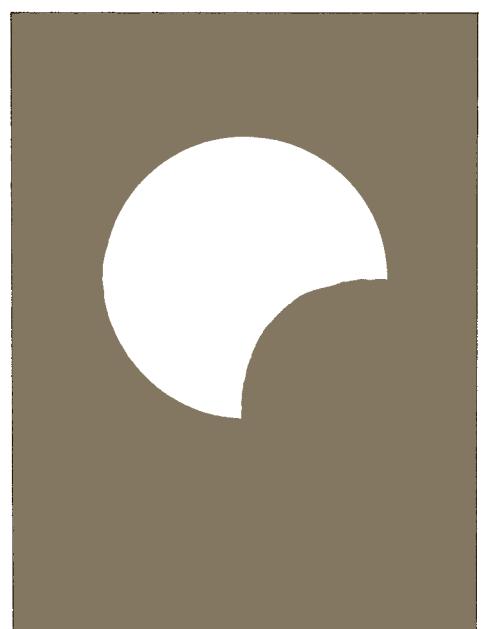

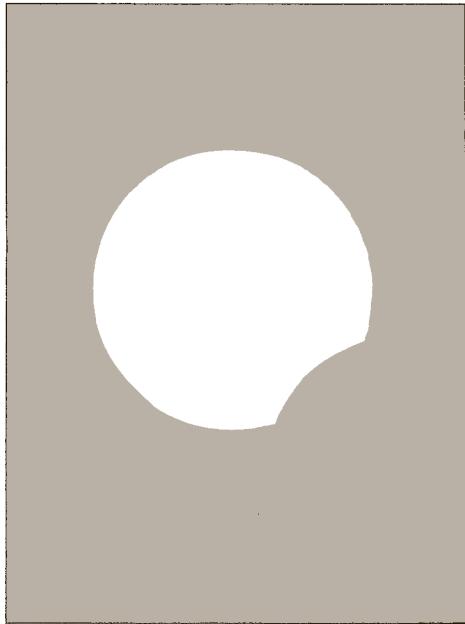

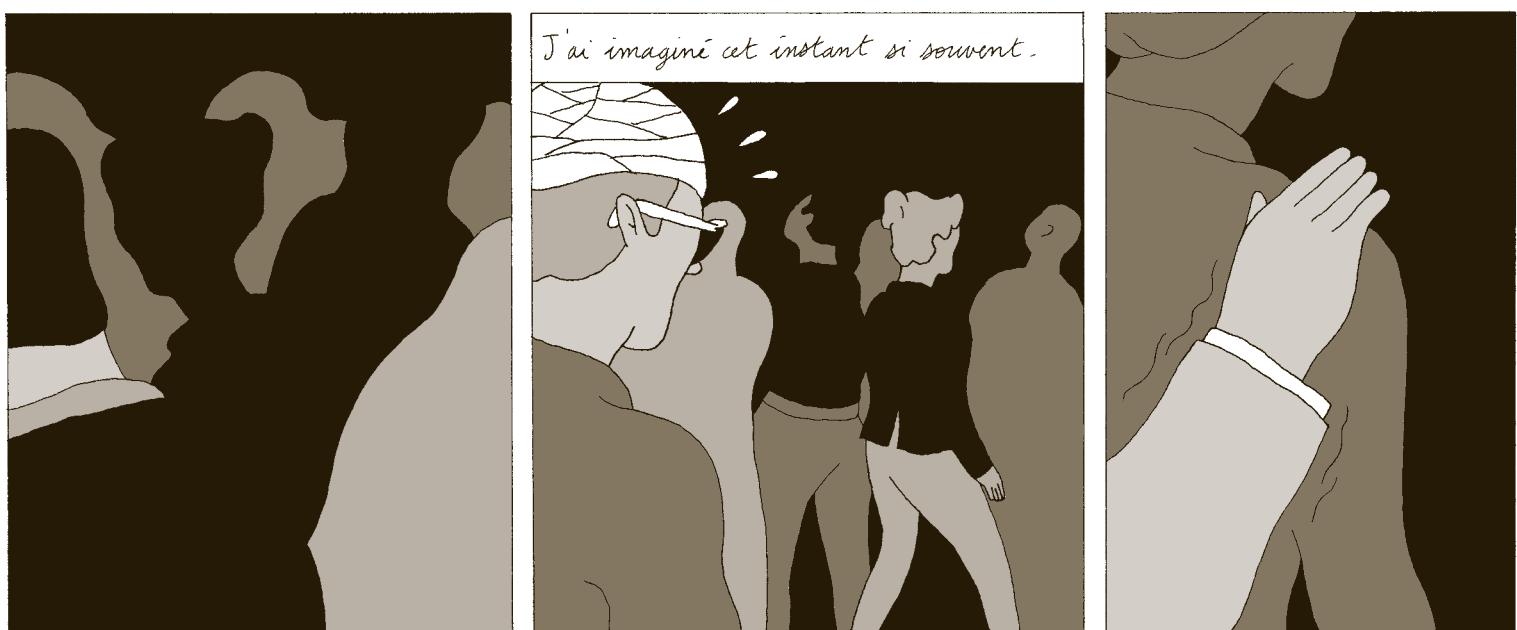

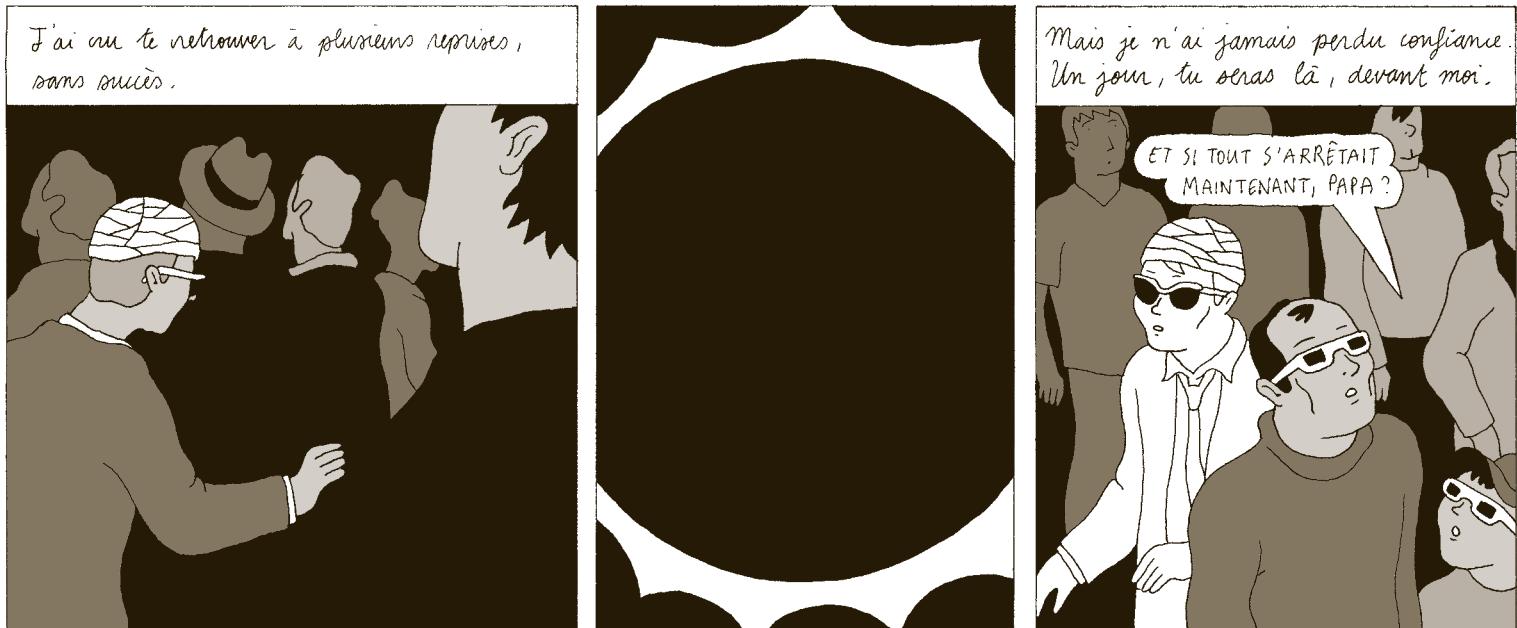

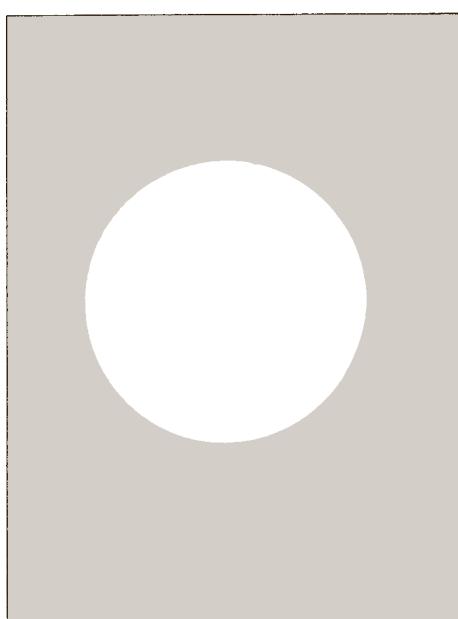

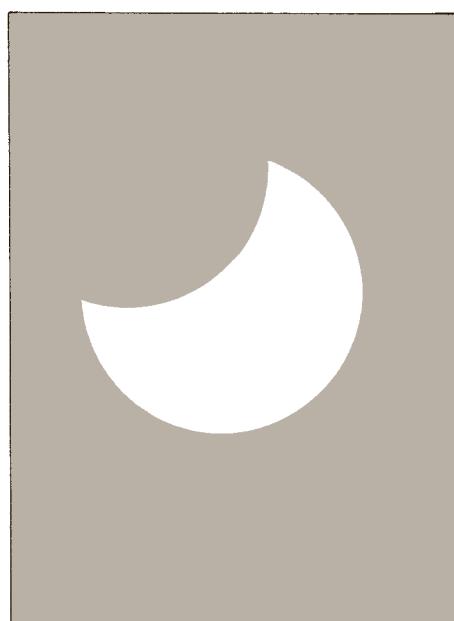

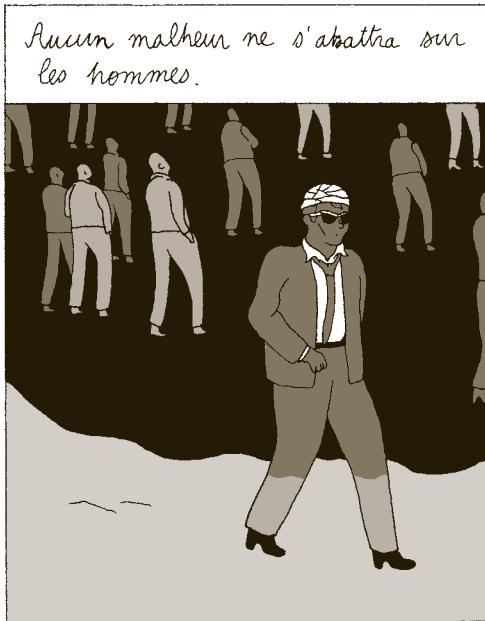

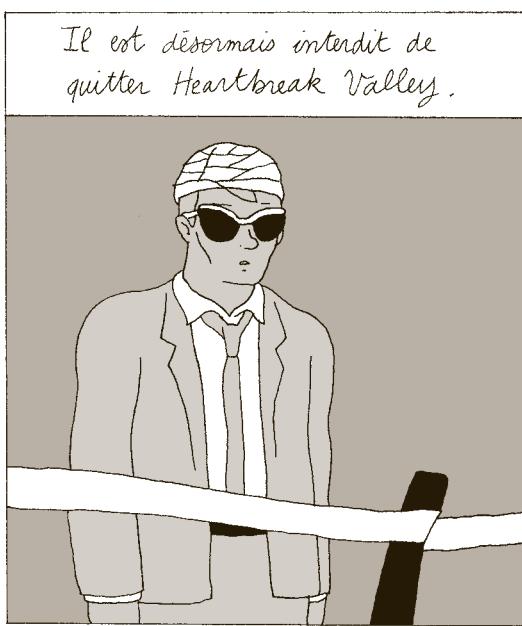

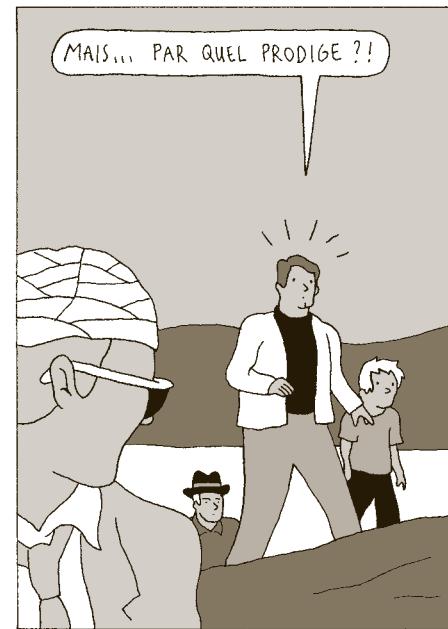

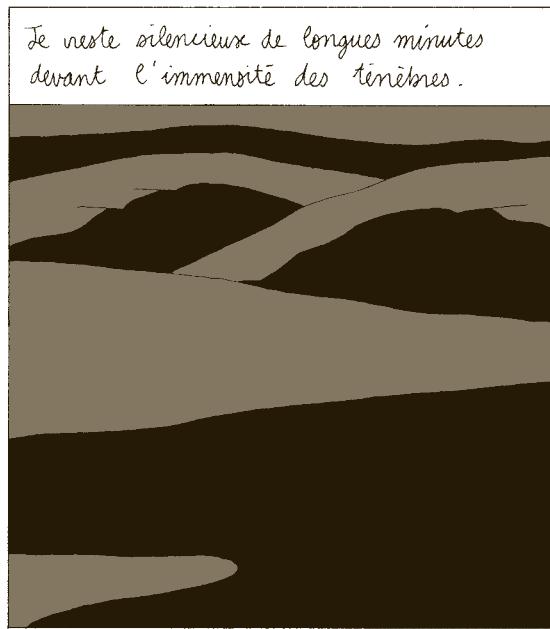

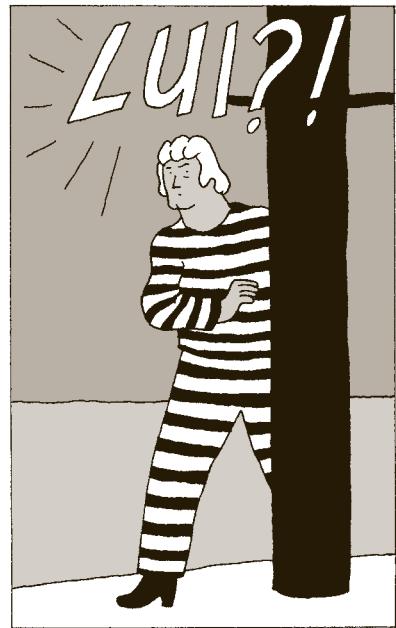

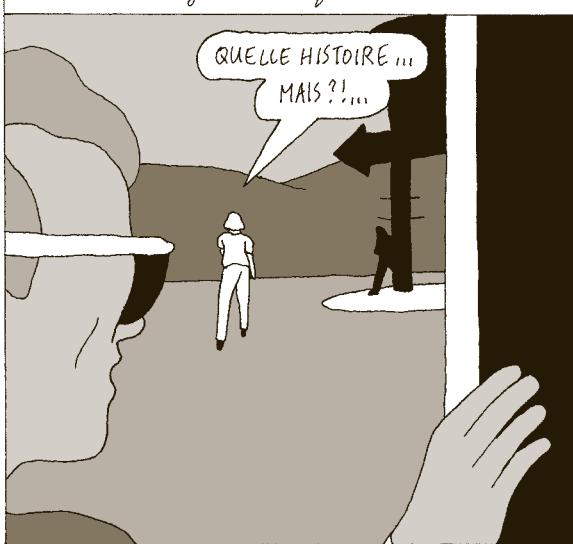

Mon enfance me revient trop souvent en mémoire.

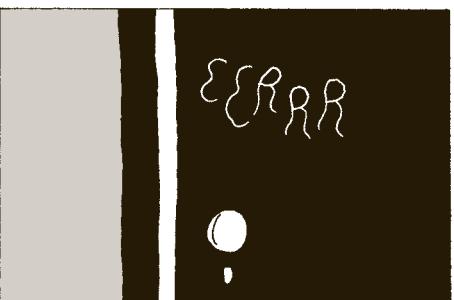

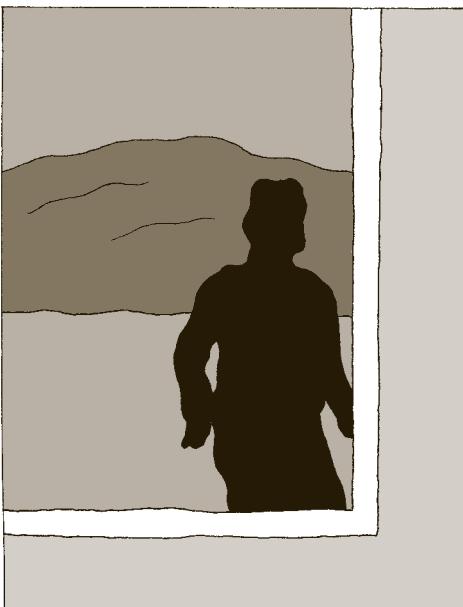

Mon père m'apprenait à faire du vélo sur les berges d'un fleuve.

Je n'ai pas osé m'arrêter et l'eau a rempli mes poumons.

Il ne m'en reste qu'un souvenir flou et une peur panique de l'eau.

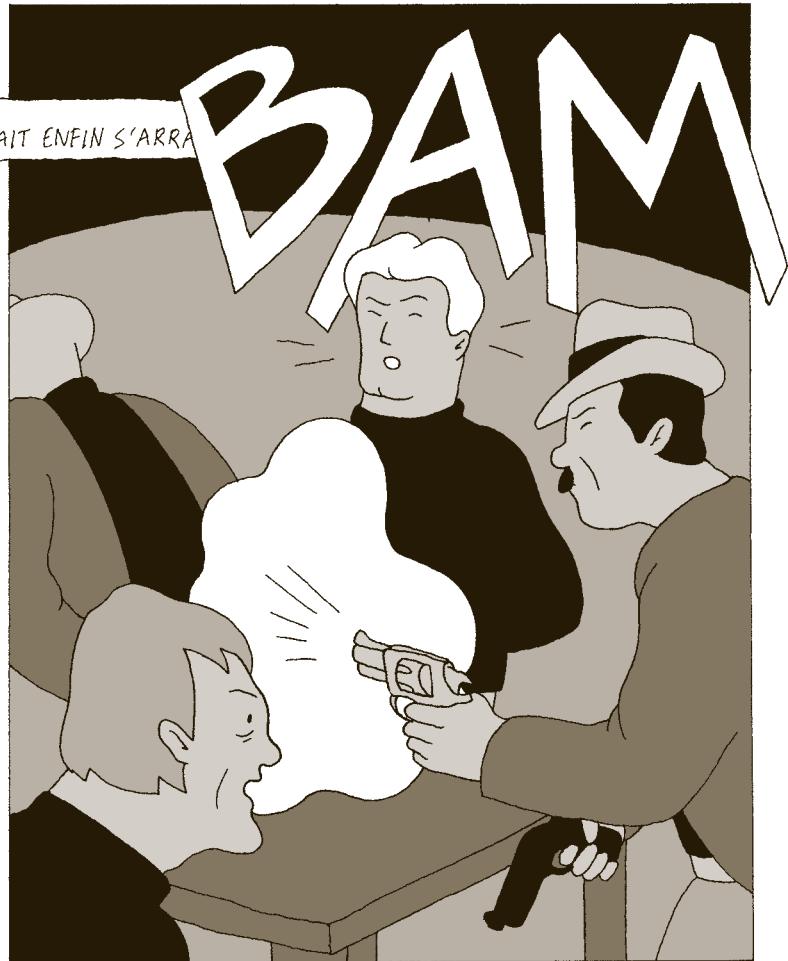

PLUS UN GESTE !

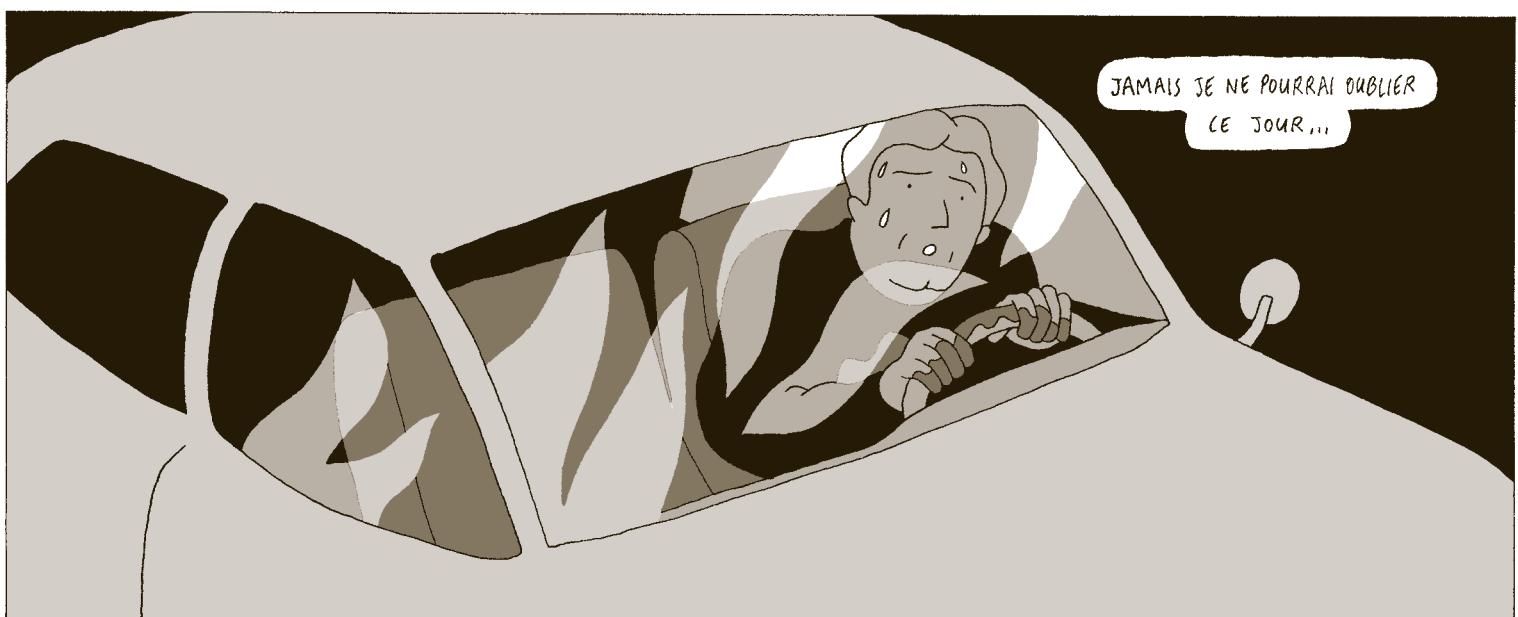

TOUT ALLAIT ENFIN S'ARRA

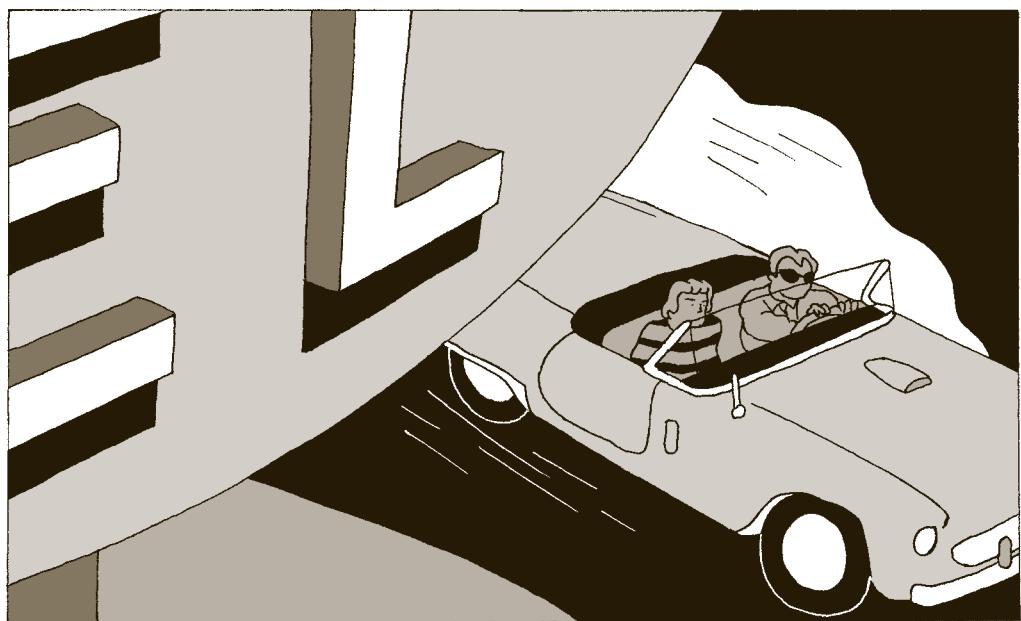

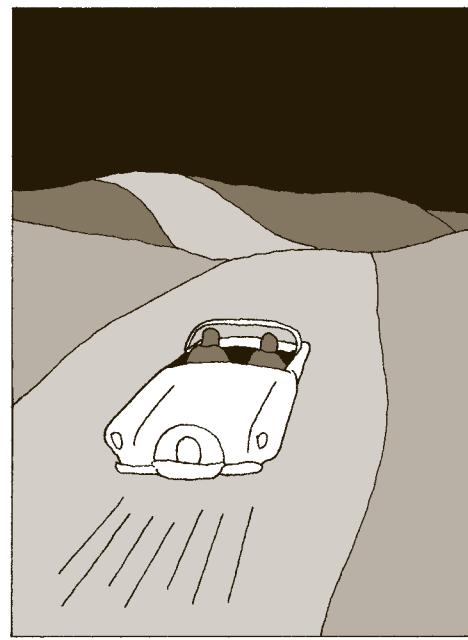

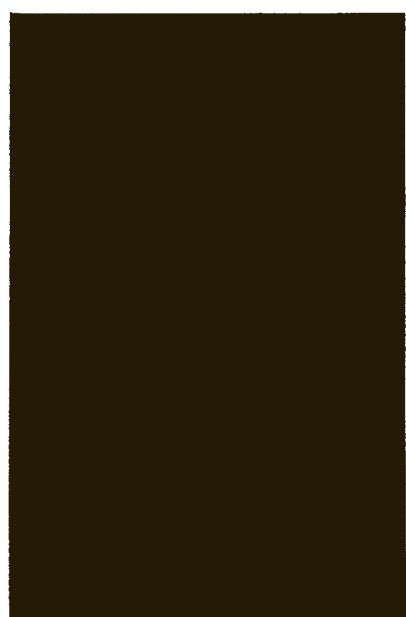

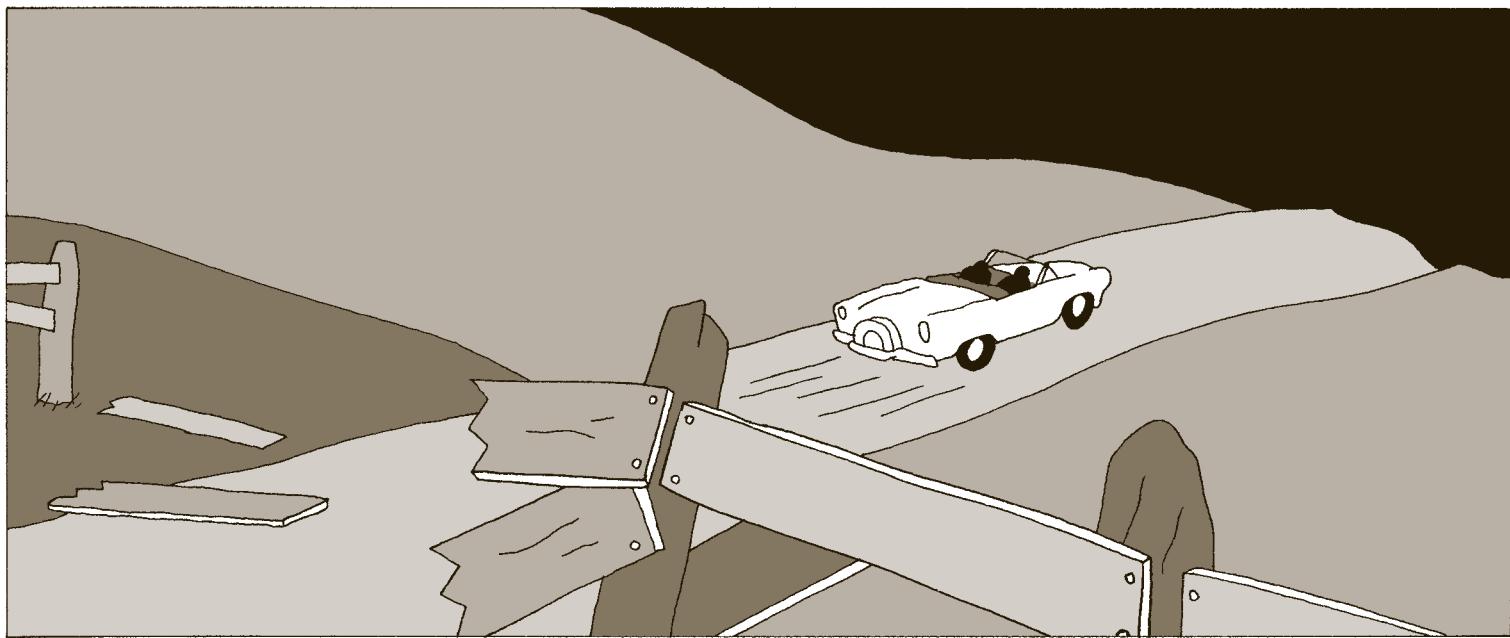

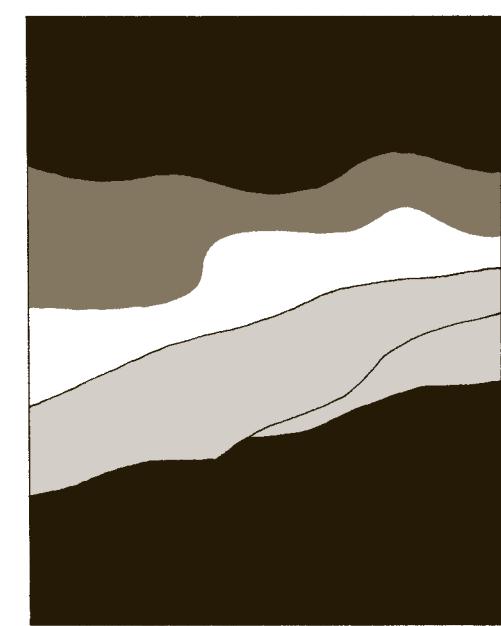

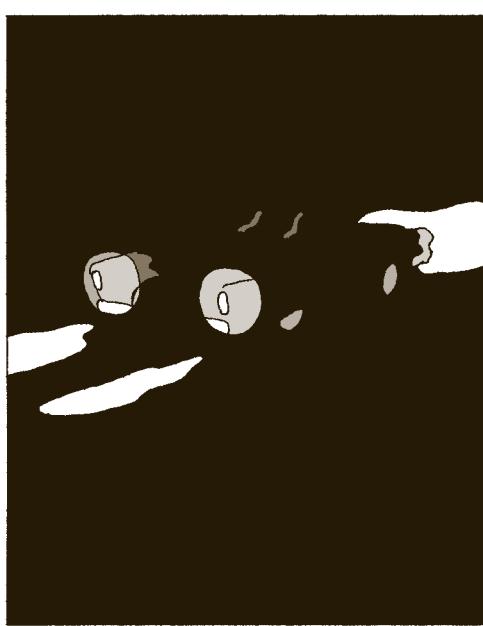

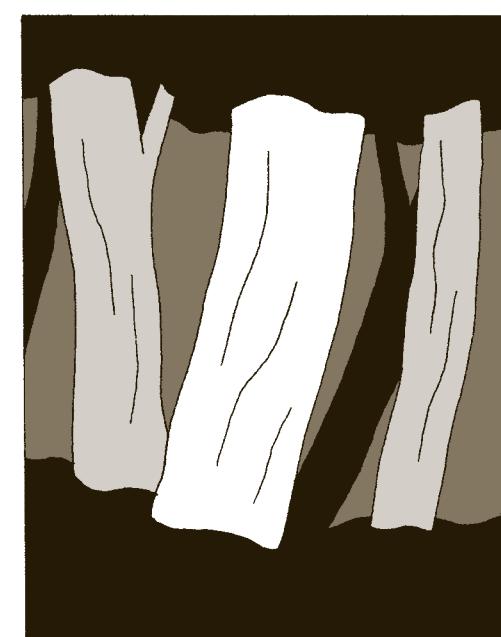

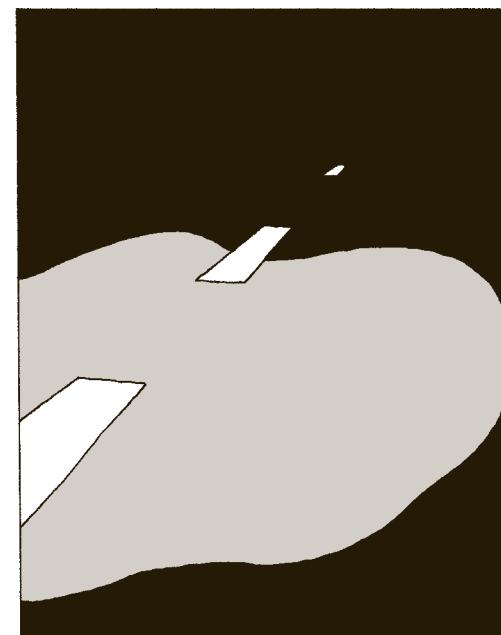

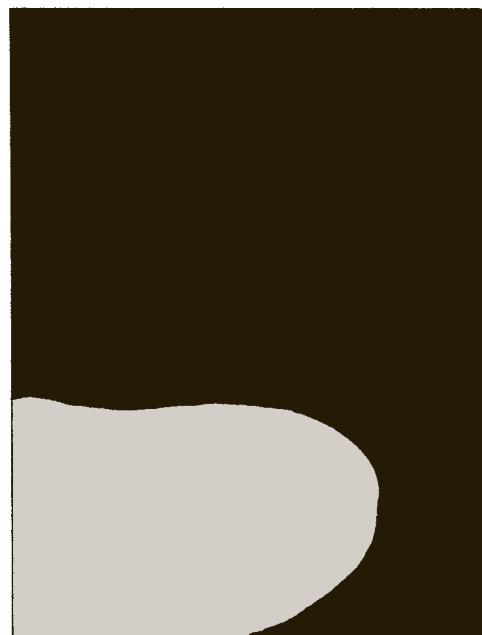

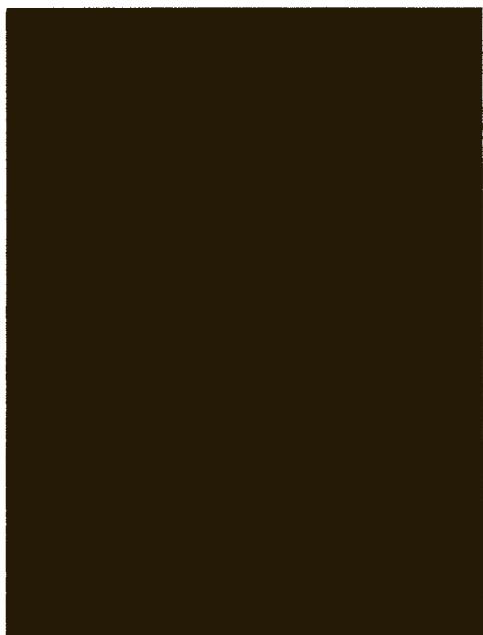

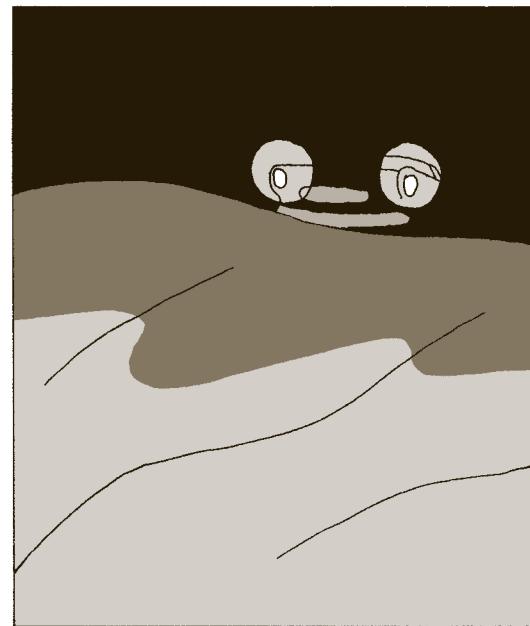

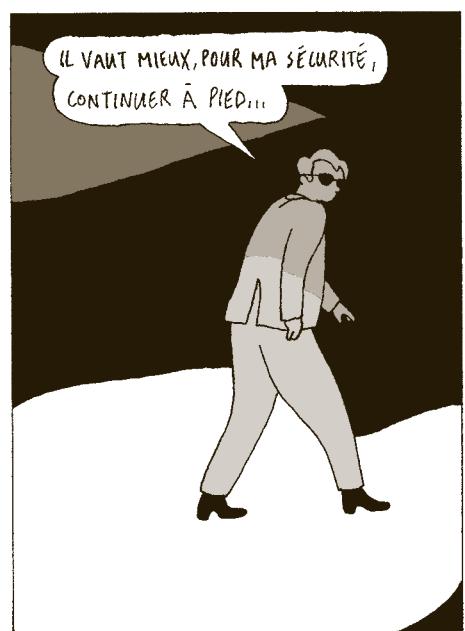

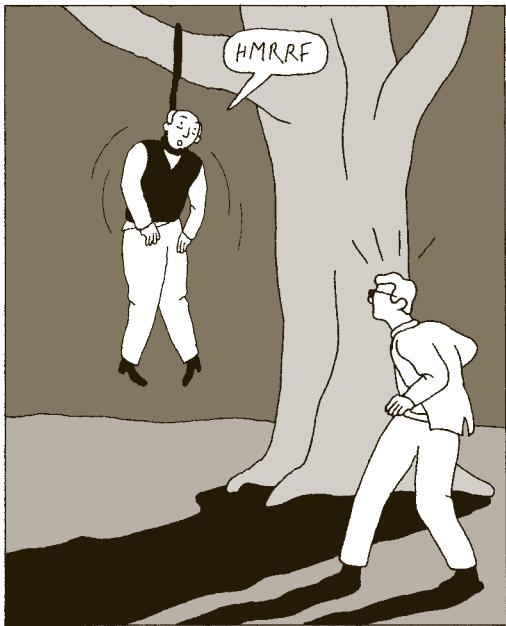

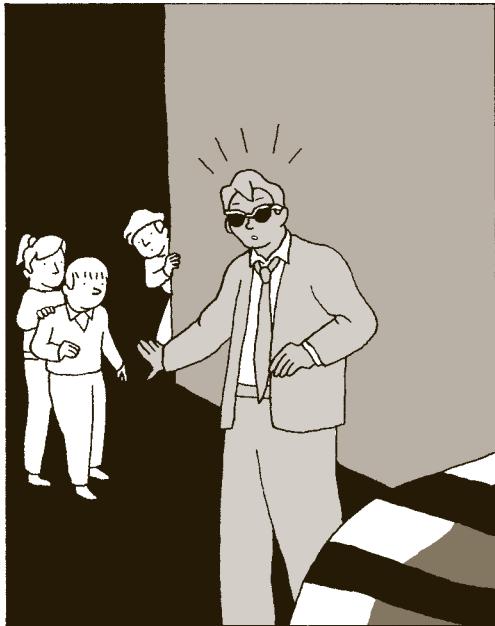

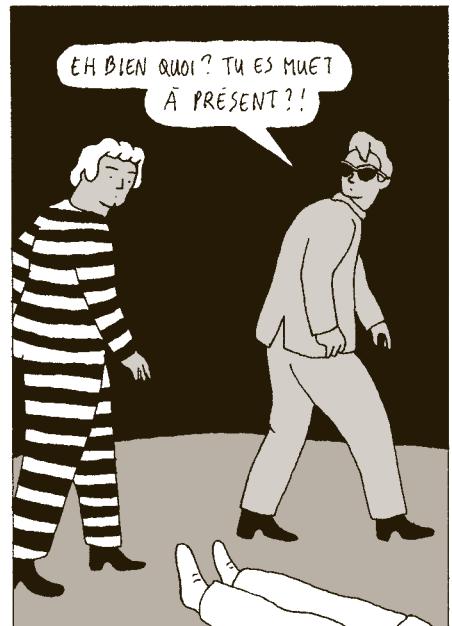

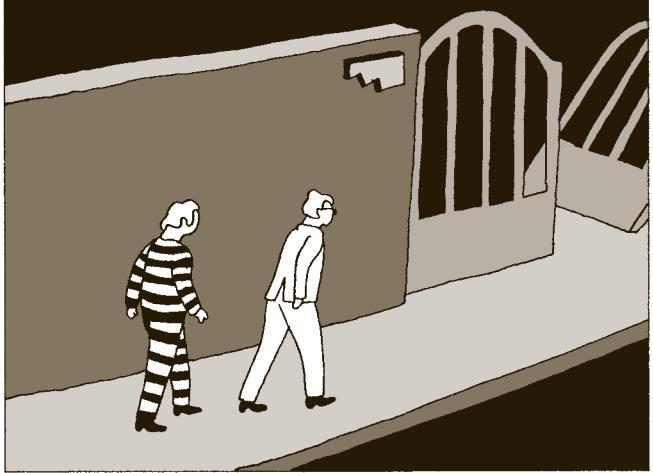

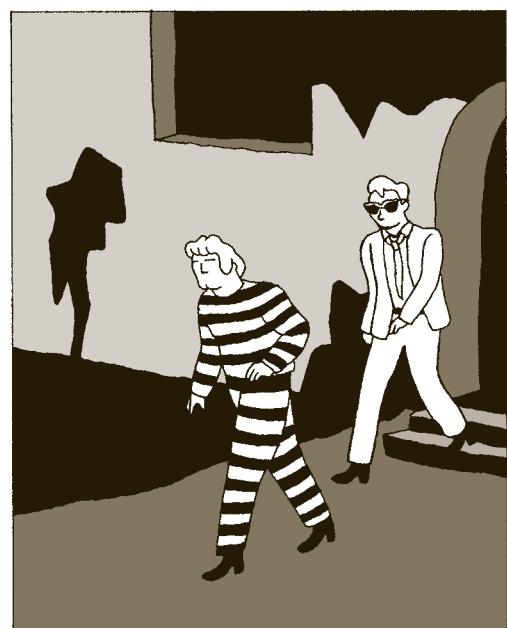

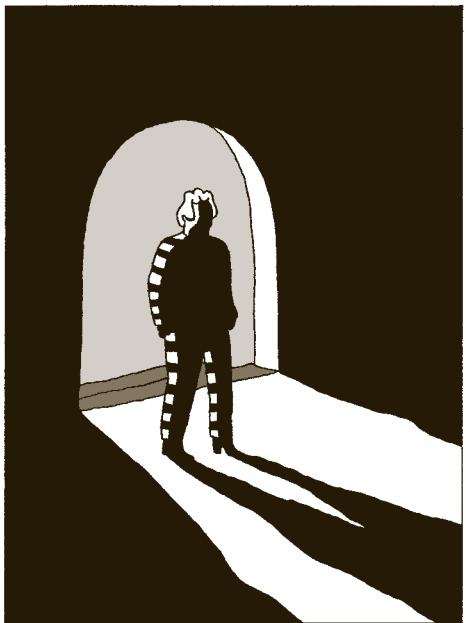

Il est étrange de connaître entièrement une personne sans jamais l'avoir rencontrée.

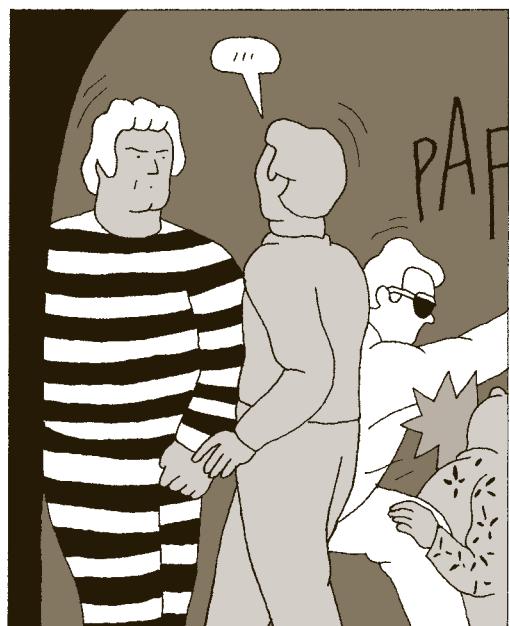

Je n'ai jamais songé à la plus sordide des hypothèses.

Te retrouver sans vie ? Je ne l'imagine pas un instant.

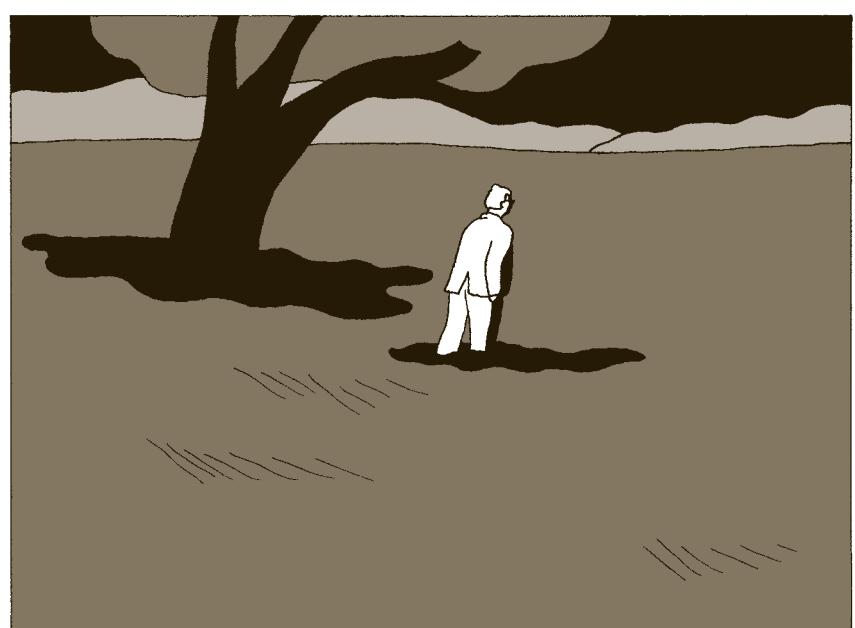

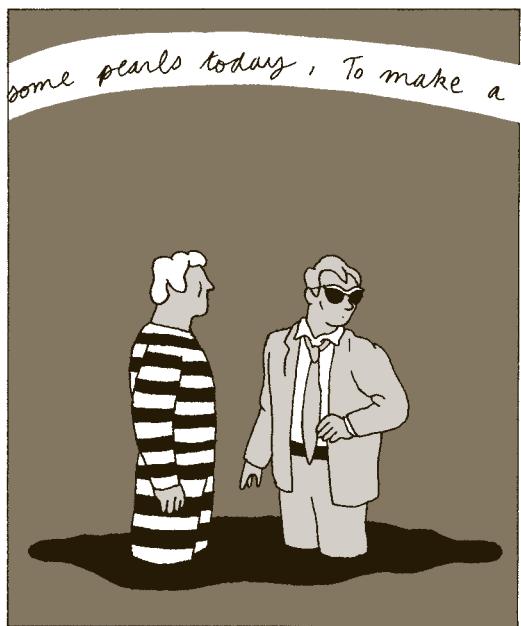

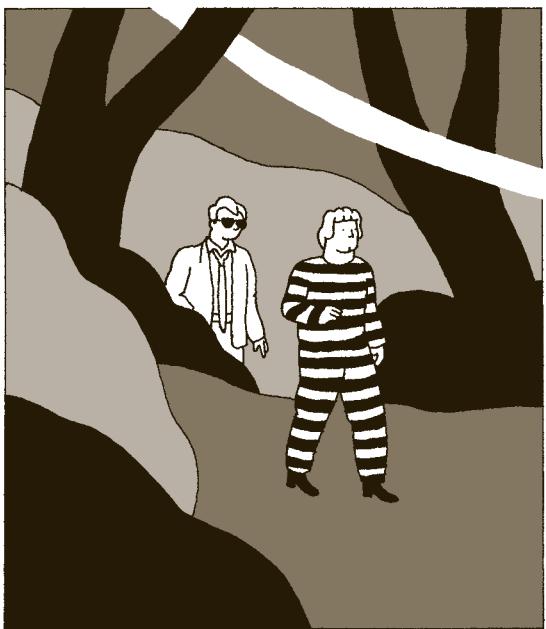

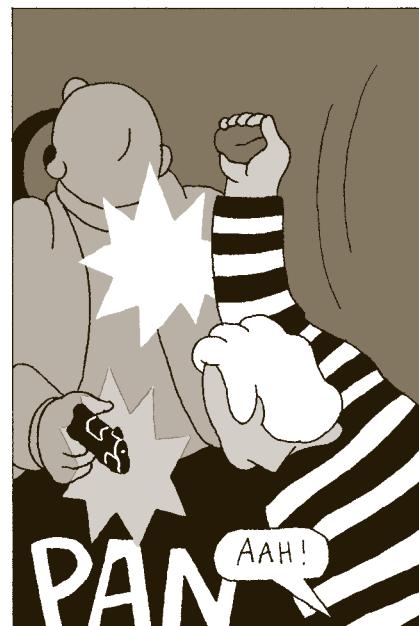

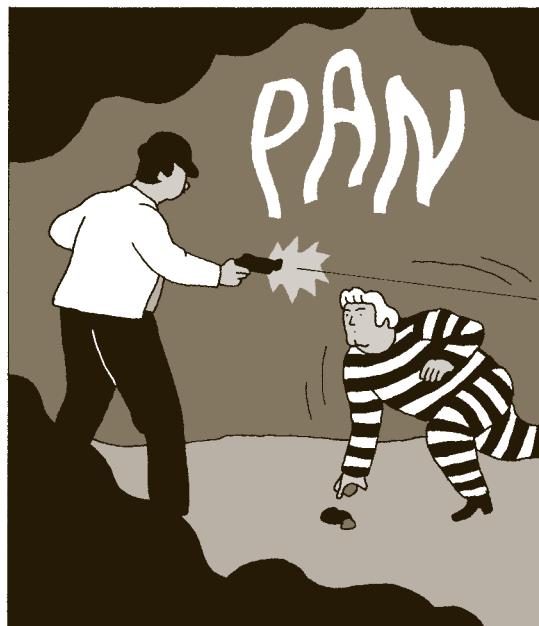

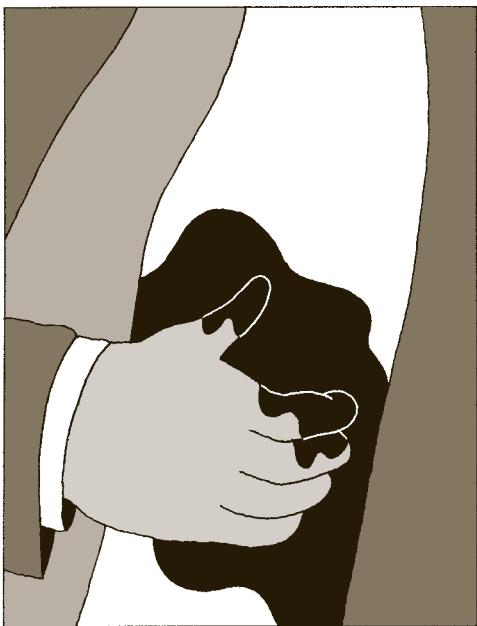

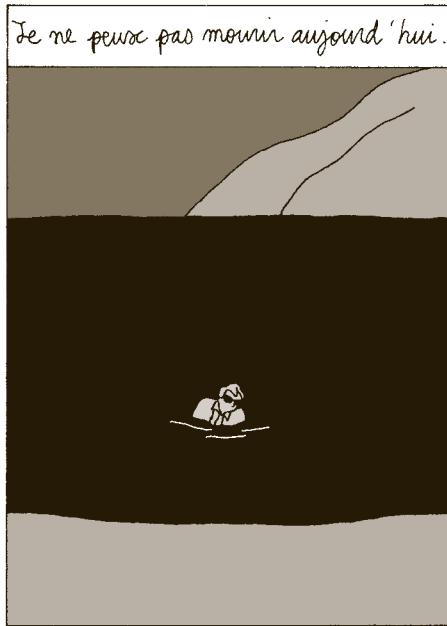

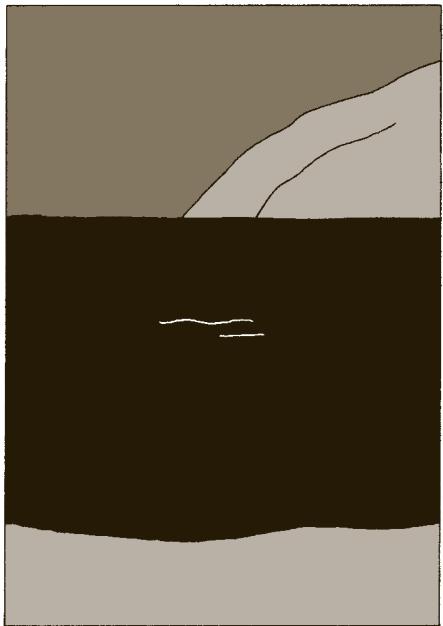

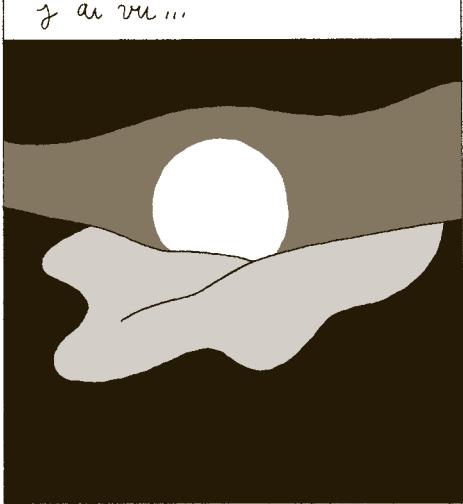

Bien sûr, tu es là. Aussi belle que je l'ai toujours imaginé.

Laisse-moi tout te dire des épreuves que j'ai traversées, de ce que j'ai vu...

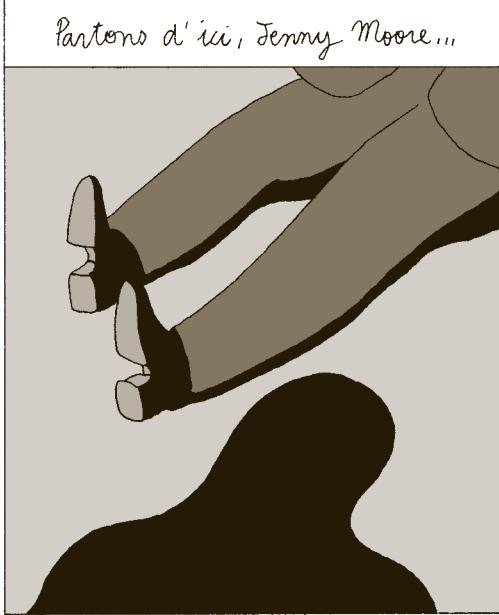

Tout ce que j'ai dû accomplir pour que nous soyons enfin réunis.

Tu apprendras à me connaître, je serai de bonne compagnie, tu verras.

Partons d'ici, Jenny Moore...

Le temps nous manque.
